## MODULAR STAGING

### STAGE LIGHTING

Our portable modular staging system is lightweight, strong and highly versatile. Easy to handle, stack and store, it allows you to build your stage in just minutes. And after use it can be packed away and stored on its own trolley until next required.

The strong metal base frames are available in a range of heights. The surface decks are available in a plain wood finish or they can be carpeted in a choice of colours.

A wide range of accessories is available to complement the system including steps, ramps, safety barriers, valances and curtains.

Please ask for a no-obligation demonstration.
